Norfolk Green 

has a new name...

Stagecoach in Norfolk

This leaflet forms part of a series of case studies which aim to give information on a variety of transport related situations.

This case study focuses on the transport requirements of someone who is looking to start a job in a neighbouring town.

1. Introducing Mr G

Mr G is currently unemployed and lives in March. He has been offered work in Wisbech but does not know how to get there as he does not have access to a car.

He needs to be able to get to Wisbech to begin work at 8:30am and be able to return back to March when he finishes at 5:30pm.

2. Understanding the needs of Mr G

The specific transport needs and challenges of Mr G are:

- To be able to get to Wisbech to start work at 8.30am
- To be able to get home when he finishes work at 5.30pm

3. Bus service options available

March to Wisbech

Norfolk Green Service 56 leaves March Broad Street at 7:20am and arrives at Wisbech Horsefair bus station at 7:52am. This gives Mr G time to get to his workplace.

Service 56 also serves the villages of Benwick, Doddington and Manea approximately two hourly and the villages of Wimblington, Coldham, Friday Bridge and Elm approximately hourly throughout the day.

Wisbech to March

The return journey can be made by catching Norfolk Green Service 46 from Wisbech Horsefair bus station at 6:00pm which arrives back in March at 6:24pm.

Service 46 also serves the villages of Westry, Ring's End, Guyhirn and Wisbech St Mary approximately hourly throughout the day.

If Mr G has a concessionary bus pass then his return journey would be free of charge. Concessionary bus passes cannot be used before 9.30am and therefore Mr G would have to pay for the outward journey.

The full timetable for this journey can be found at www.norfolkgreen.co.uk or pick up a copy on the bus or at any Fenland @ your service shop.
