

Have you ever visited somewhere and wished there was more to do with the family?

Or maybe you like exploring on your own and you are always on the lookout for ways to find out more about the place you are visiting.

Love Exploring puts the power of discovery in your hands by providing a range of discovery games and guided tours that are fun to do and free to use.

All activities are free to download and play with no in app purchases.

LOVE EXPLORING™

Discover new walking routes?  
**#WhittleseyHeritageWalk**

Find a new favourite walk.  
As well as the games there is the guided Whittlesey Heritage Walk that gives you an easy to follow route guide and tells you about the things you will see along the way.
