TREASURE HUNT

How it works

Welcome to Park Explorers! Play by heading to the park. Explore around the park and see how many items your family can see that starts with the letters on this sheet.

Write down the different things your family finds. There may be more than one item for each letter. Think about items that make up the park but also natural things such as flowers, trees and wildlife*. Remember to think big and small.

This is a great way to practice saying words and to practice spelling. Can the item be put into a sentence?

Your family can play this game at different times of the year as there will be different things to see each season.

*please do not touch or disturb any of the wildlife in the park.

Safety

1. Please follow the current Covid-19 government guidelines when taking part
2. Please ensure children are always supervised by an adult
3. Please ensure your own safety in the park
4. Please respect other users of the park
5. Please dress according to the weather
6. All treasure hunt items are found within the park
