

# Wisbech Level 2 SFRA Data Register

Source	Description of Item	Format	Received
Anglian Water	DG5 Records for Sewer Flooding	Excel Table	26/01/2011
	Waste Water Treatment Works Catchments	PDF Map	31/01/2011
	GIS Shape Files of Network	MapInfo Files (GIS)	31/01/2011
Environment Agency	National Flood and Coastal Defences Database (NFCDD) Information	MapInfo Files (GIS)	18/01/2011 and 18/02/2011
	Tidal Nene Hazard Mapping Study	Raster Map Files (GIS)	18/01/2011 and 01/06/2011
	Environment Agency Flood Map (Flood Zones)	Shape Files (GIS)	18/01/2011
	Flood Map for Surface Water (FMfSW)	MapInfo Files (GIS)	24/01/2011
	River Great Ouse and River Nene Catchment Flood Management Plans	PDF Documents	24/01/2011
	Flood Warning Areas Plan	PDF Map	07/02/2011
	Wisbech Flood Alleviation Project Appraisal Report	PDF Document	18/01/2011
	LiDAR Data	Raster Map Files (GIS)	21/01/2011
	Flood Map - Defences and Areas Benefitting from Defences	MapInfo Files (GIS)	24/01/2011
Fenland District Council	1:10,000 Ordnance Survey Tiles	Raster Map Files (GIS)	18/01/2011
	1:50,000 Ordnance Survey Tile	Raster Map Files (GIS)	21/02/2011
	Level 1 SFRA and Selected Maps	Word / PDF Documents	06/01/2011
	Outline Water Cycle Study	PDF Document	11/01/2011
	Contaminated Land Areas	Shape Files (GIS)	21/01/2011
	Western Relief Road FRA and Appendices	PDF Documents	24/01/2011 and 21/02/2011
King's Lynn IDB	Watercourse/Drains and IDB Catchment	MapInfo Files (GIS)	19/01/2011
	Pumping Stations Information	Email and PDF from Website	16/02/2011
Middle Level Commissioners	Watercourse/Drains and IDB Catchment for Hundred of Wisbech / Waldersley IDB	Shape Files (GIS)	19/01/2011
	Pumping Station Data	Word Documents	03/02/2011
	River Nene Study - New Drove Culvert Information	PDF Documents	07/01/2011
North Level District IDB	Mouth Lane Pumping Station Study	PDF Document	18/01/2011
	Watercourses/Drains, Structures, and Pumping Stations Info	Shape Files (GIS)	18/01/2011 and 27/01/2011
	Water Retaining Structures	Shape Files (GIS)	07/04/2011

Note: Where GIS data has been received the data has been re-formatted in to ArcGIS Shape File outputs. Where raster data has been received this has been cropped to the study area. Items in blue text have been used to inform the SFRA but have not been included as part of the appendices.
